

# **MIDDY'S** *Scholarship* PROGRAM 2023

1. While all care has been taken with the production of this collateral and unforeseen circumstances excepted, services and prices advertised will be available for the period of 7 August to 15 September 2023. We reserve the right to substitute any of these services with similar services or vary pricing in extenuating circumstances. Changed or cancelled courses during the promotional period shall not be a basis of any claims for compensation or alternative rewards. Middendorp Electric Co. Pty. Ltd. of 357 Ferntree Gully Road, Mount Waverley, Vic. 3149 (MEC) accepts no responsibility or liability for courses that are not available. Offer available to A Grade Electrical Contractors, 4th year Electrical Apprentices and Data Installers (with ACMA open registration cabling course accreditation) in Australia only. [E&OE] ABN 49 338 705 390. The Promoter is Middendorp Electric Co P/L, ABN 49 338 705 390.
2. MEC reserves the right to rescind or cancel promotional entitlements.
3. All decisions relating to the application and interpretation of any condition or phrase of this promotion shall be made by MEC and no correspondence will be entered into.
4. Applicants enter the promotion by completing the online application at [middys.com.au/scholarship](http://middys.com.au/scholarship), consisting of:
  - a) Contact details
  - b) Business goals and aspirations
  - c) Previous training past 12-24 months
  - d) Emerging industry themes and opportunities
  - e) Industry concerns/how they can be addressed
  - f) Explain why they should be considered for the scholarship
  - g) How it would benefit them/their business

#### Conditions:

- Applicant must be an Australian registered A Grade Electrician, Data Installer (with ACMA open registration cabling course accreditation) or 4th Year Electrical Apprentice
- Limit 1 Scholarship package per person
- Employer's permission is required to accept scholarship
- Scholarship is not transferable and courses must be undertaken by the awarded person
- Not to be used in conjunction with any other promotions, unless stated otherwise
- Applications open 7/08/2023 and close 15/09/2023.
- Short listed applicants are required to partake in an online video interview with the judging panel in order to be considered for a Middy's Scholarship.

h) Judging of applicants will be by an independent panel comprising of industry professionals from ESV, NECA and Connections Magazine. Seven Gold Scholarships and six Silver Scholarships will be granted. Each scholarship recipient is entitled to up to \$5000 worth of training (Silver) and up to \$10,000 worth of training (Gold) to be commenced in between 1st January 2024 and 31st December 2024. Total prize value of 13 scholarships is \$100,000 including GST.

- i) An individual may be awarded one scholarship only.
- j) Information used for entry may be added to MEC Marketing database and used for promotional purposes.
- k) Successful applicants will be notified in person, by phone or writing and published on [middys.com.au](http://middys.com.au) and in Middy's MAG Dec 2023 - Feb 2024 edition. Exceptions to this condition shall be at MEC's discretion.
- l) Terms & Conditions will be published on [middys.com.au](http://middys.com.au)
- m) Promotion open to all Australian registered A Grade Electricians, Data Installers (with ACMA open registration cabling course accreditation) and 4th Year Electrical Apprentices.
- n) Trade Contractors only.
- o) If this program is interfered with in any way or is not capable of being conducted as reasonably anticipated due to any reason beyond the reasonable control of the Promoter, including but not limited to technical difficulties, unauthorized intervention or fraud, the Promoter reserves the right, in its sole discretion, to the fullest extent permitted by law (a) to disqualify any Entrant; or (b) subject to any written directions from a regulatory authority, to modify, suspend, terminate or cancel the program, as appropriate.
